

Newbiggin Parish Council - 3rd September 2019

Present

Councillors D Thompson (Chair) , N Armstrong, M Atkinson, R Robson and P Clarke, A Armstrong, EDC, Clerk J Brampton

19.09.01 Apologies

None

19.09.02 Register of Interests

None

19.09.03 Minutes

The minutes of the meeting held on the 2nd July 2019 had been circulated prior to this meeting. All agreed this was a true record and were signed and approved.

19.09.04 Matters Arising

Clerk checked on Highways website prior to tonight's meeting, no action showing as yet regarding the pothole in Long Lane and possible availability of grants for drainage within the village.

The gully at Newbiggin Mill is showing as having been assessed and will continue to monitor the situation.

No response from the village hall committee regarding our communication concerning the excessive increase of hall rental.

The seat under the Chestnut Tree on the Village Green has now been repaired and the Councillors would like to thank Martin Nicholson for the painting, John Parr for the refurbishment and Gwennie Thomlinson for bringing it to the Parish Councils attention (and her kind donation)

19.09.05 Eden District Council Plan 2019-2023

This had been circulated by email to the Councillors prior to this meeting.

After much deliberation, the Councillors agreed that although the four priorities listed are important, Eden is very much a rural area within Cumbria with farming at the forefront, the Councillors decided that there should be more emphasis on the highways system, enabling all those, young and old, to be able to travel to the local towns using public transport, thereby supporting the local shopping areas, who in turn support the local farmers and craftsmen. Hospitals, Schools and other community/council led establishments ought to be encouraged to use local produce.

The Clerk to respond accordingly.

19.09.06 Bonfire

The Bonfire will be held on Tuesday, 5th November and all organising appears to be in place.

Signed _____ Dated 12th November 2019

19.09.07 Eden District Council Polling Stations

The EDC review of polling stations were emailed to Councillors prior to this meeting. The Councillors agreed all satisfactory.

19.09.08 Newbiggin Village Hall

The Parish Council have received a letter from the Committee asking if the Parish Council would like to appoint a Councillor onto the village hall committee. The Councillors felt that they were not in a position to join the Committee due to work and other commitments. They do however wish to be kept informed of any problems etc that may arise.

Clerk to write

19.09.09 Finance

Invoices received :-

K & A Thompson & Sons	Larch for Seat	£ 48.00
Eden District Council	Uncontested Election Costs	£ 105.00
John Eyles	Labour involved in seat refurb	£ 115.00
	(cheque made payable to Brampton Village Hall)	
	Stainless Steel Fixings	£ 20.00
	(cheque payable to John Eyles)	

Fellrunner Village Bus Donation requested, agreed to pay £ 65.00

The Councillors resolved to pay all of the above.

Draft Two of the 2019/20 accounts were made available, discussion took place, all appears to be satisfactory.

The Clerk received, via email, the NALC revised financial regulations, this is a 14 page document, with much of it not applying to Newbiggin Parish Council Accounts, for example internet banking.

It was therefore resolved to retain the Financial Policy already in place for Newbiggin Parish Council. (Copies can be made available if requested)

Confirmation has been received that a direct debit has been put in place for the annual Data Protection Fees to the Information Commissioners Office, which will reduce the fee by £5 per annum.

19.09.10 Correspondence

Parkers Bulbs & Flowers Catalogue

19.09.11 Public Participation

None

Signed _____ Dated 12th November 2019

19.09.12 Any Other Business

Pot Holes are again appearing on the Cart Roads within the village, there are plenty of road planings to fill these, Councillors will again fill these in.

There has been a complaint regarding cows using the back lane, up from the village hall, whereby the cows have trampled the grass and caused water to gather and flood areas instead of running down the lane.

Farmers have to use the lane to gain access to fields, but due to grass cuttings etc being thrown in to the lane and the lane being overgrown, when the cows use it, they of course cause a puddle up. It would be appreciated if people could please refrain from throwing grass cuttings and other garden waste in to the lane, thereby hopefully allowing the rain water to run its natural course.

Next Meeting Tuesday, 12th November 2019

The Chairman brought the meeting to a close at 8.35pm

Signed _____ Dated 12th November 2019
